Re: I.C. Isaacs & Co. v. Seattle Pacific Industries, Inc.
Civil Action No. CCB00 CV 485

Dear Judge Blake:

Counsel have conferred and submit this joint status report and request for modification of the current Scheduling Order (dated June 7, 2001).

Since the parties last reported to the Court, they have continued the discussions regarding a possible settlement of this matter that have been described in our prior reports to the Court. The parties have engaged in substantive settlement discussions and have exchanged drafts of a Settlement Agreement. To date, the parties have been unable to agree on a few provisions of that agreement, but are making final attempts this week to resolve the outstanding issues.

To enable settlement discussions to continue, the parties jointly request that the deadline to submit an additional status report to the Court be extended to and including September 10, 2001.
